SKILLS

- **Languages**: C++, Java, C, Python, JavaScript, HTML, CSS, SQL
- **Frameworks**: Pandas, NumPy, Seaborn, R Studio, Matplotlib
- **Tools/Databases**: Power BI, Excel, Tableau, Spyder, PowerPoint, MySQL
- **Soft Skills**: Consistency, Adaptability, Problem Solving, Time Management

PROJECTS

- **Snake Game With Dynamic Score Tracking** Jul' 25
  - Developed an interactive Snake Game featuring smooth controls and responsive gameplay mechanics.
  - Designed to provide real-time score tracking based on snake growth and survival duration while ensuring engaging user interaction.
  - Strengthened logical thinking and practical application of DSA concepts by effectively managing movement, collision detection, and game states
  - **Tech:** HTML, CSS, JavaScript

- **E-Commerce Sales Insights Visualization System** May' 25
  - Developed a comprehensive e-commerce sales analytics and visualization system with interactive dashboards.
  - Built to analyze and present key business metrics such as yearly sales trends, payment distribution, category-wise performance, and state-wise revenue.
  - Enabled faster and data-driven decision-making by delivering real-time insights, accurate sales tracking, and clear performance analysis across categories and regions.
  - **Tech:** Java

TRAINING

- **Mastering Data Structures and Algorithms** Jul' 25
  - Completed training focused on core Data Structures and algorithmic problem-solving.
  - Gained hands-on experience with arrays, linked lists, stacks, queues, trees, graphs, sorting, and searching techniques.
  - Improved complexity analysis skills and strengthened logical reasoning through regular coding exercises and algorithmic challenges.
  - **Tech:** C++

CERTIFICATES

- Cloud Computing | NPTEL Nov' 25
- Computational Theory: Language Principle & Finite Automata Theory| Infosys Springboard Aug' 25
- Mastering Data Structures and Algorithms| Lovely Professional University Apr'25
- The Bits and Bytes of Computer Networking| Coursera Sep'24
- Responsive Web Design | freeCodeCamp Nov'23

ACHIEVEMENTS

- Participated in Hack-Verse, showcasing strong skills in coding, rapid problem-solving, and team collaboration.

EDUCATION

- **Lovely Professional University** Punjab, India
  Bachelor of Technology in Computer Science and Engineering | ***CGPA: 6.37*** *Aug' 23 – Present*
- **SR Junior College** Anantapur, Andhra Pradesh
  Intermediate | ***Percentage**: 95.8%* *Apr' 22 – Mar' 23*
- **Sree Nethaji Em School** Anantapur, Andhra Pradesh
  Matriculation | ***Percentage**: 97.8%* *Apr' 20 – Mar' 21*
